Come spend a day learning to navigate the SEAS of transition. Life after brain injury offers many families a life of sailing uncharted waters, overcoming rough seas, and searching for destinations unknown. But the common journey for all is that life is about changing course, finding fair weather, and reaching the next destination safely.

When: Saturday, March 5, 2011
8:00am - 3:30pm

Where: Desert Willow Conference Center
4340 E. Cotton Center Blvd.
Phoenix, AZ 85040
**CONFERENCE OFFERINGS:**
1. UNDERSTANDING IMPACT ON NEURODEVELOPMENT
2. EDUCATION PLANS: YOUR RIGHTS-IEPS & 504S
3. TRANSITION TO POST-SECONDARY OPTIONS
4. LEGAL RIGHTS AND OPTIONS AFFECTING AGE OF MAJORITY DECISIONS
5. TRANSITION RESOURCES
6. ONGOING PARENT SUPPORT GROUPS

**Information Sessions:** Six, 75-minute sessions will be presented throughout the day offering insights into supporting youth with TBI and handling the challenges of transition to adult programs and services.

**Resources Available:** Public and non-profit agencies will be available to provide participants with information and one-on-one support. Short, interactive panel presentations will be given to gain insight into successfully accessing and engaging services.

**Support Groups:** Ongoing individual and group support will be available throughout the day.

*Child and dependent care stipends are available for those needing care for their dependents. No care is available on-site.*
