### **How can I get written information in my language and oral interpreter services?**

You may ask for help from your provider (Responsible Agency) or **NARBHA** to make sure:

- Written information is either available in your language or can be translated in your language so you can understand it;
- You can find providers who speak your language; and
- If you are eligible for benefits under the Arizona Health Care Cost Containment System (AHCCCS), oral interpreter services are available at no cost to you.

Contact your provider or **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at **[www.azrelay.org](http://www.azrelay.org)** to ask for any of these options.

### **What are my rights concerning Sign Language Interpreters and Auxiliary Aids if I am deaf or hard of hearing?**

If you are deaf or hard of hearing, you may ask that your provider provide auxiliary aids or schedule a Sign Language Interpreter to meet your needs. Your provider has to provide these services, but your request must be made in a timely manner so that your provider can make arrangements for you.

Auxiliary aids include computer-aided transcriptions, written materials, assistive listening devices or systems, closed and open captioning, and other effective methods of making aurally delivered materials available to individuals with hearing loss.

Sign Language Interpreters are skilled professionals certified to provide interpretation, usually in American Sign Language, to the deaf. ### ***What are my rights concerning printed information if I am visually impaired?***

If you have a visual impairment, you may ask that your provider make available to you this member handbook or other materials, such as notices and consent forms, in large print. Your provider has to provide these services, but your request must be made in a timely manner so that your provider can modify the materials for you.

### **How does NARBHA ensure that my values and beliefs are being considered when services are offered to me and while I am receiving services?**

Your traditions, your heritage, religious/spiritual beliefs, language and other aspects of life that you and your family value most define who you are and are part of your "culture". **NARBHA** encourages its providers to understand the culture of each behavioral health recipient to better understand, communicate and treat the people **NARBHA** serves. Your provider will ask you to share cultural information with them so they can help you determine the best treatment plan for you or your family member. It is important that you help your provider understand what is important to you and your family, as this will help tailor services for your specific needs.

Be sure to discuss with your provider what you and your family believe is most important when determining your treatment and discussing your goals. If your provider understands what your goals are, your provider can better help you to reach those goals.

**NARBHA** works with its providers to better understand various cultures and to provide services in a culturally competent manner. You can view the **NARBHA** Cultural Competency Plan online at <http://www.narbha.org/about/contact-info/interpreter-translator/>

### **What is Managed Care?**

In Arizona, public behavioral health services are provided through a Managed Care model. This means that persons getting behavioral health services choose a provider from within a network. The Regional Behavioral Health Authorities (RBHAs) and Tribal Regional Behavioral Health Authorities (TRBHAs) have to make sure that behavioral health services are available to their members. Members are persons enrolled with **NARBHA**.

In addition to making sure that services are available, **NARBHA** must oversee the quality of care given to members and manage the cost.

To find out more about Arizona's public behavioral health service delivery system you can visit the Arizona Department of Health Services/Division of Behavioral Health Services Web site at <http://www.azdhs.gov/bhs/>.

### **What happens after I am enrolled with NARBHA?**

After you are enrolled with **NARBHA**, you will develop a "team" to help you with identifying your behavioral health needs and obtaining behavioral health services. These teams are referred to as Clinical Teams, or more specifically, Child and Family Teams or Adult Clinical Teams.

#### ***What is a Child and Family Team?***

The Child and Family Team (CFT) is a defined group of people that includes, at a minimum, the child and his/her family, a behavioral health representative, and any individuals important in the child's life and who are identified and invited to participate by the child and family. This may include, for example, teachers, extended family members, friends, family support partners, healthcare providers, coaches, community resource providers, representatives from churches, synagogues or mosques, agent from other service systems like Child Protective Services (CPS) or Division of Developmental Disabilities (DDD), etc. The size, scope and intensity of involvement of the team members are determined by the objectives established for the child, the needs of the family in providing for the child, and by which individuals are needed to develop an effective service plan, and can therefore expand and contract as necessary to be successful on behalf of the child.

#### ***What is an Adult Clinical Team?***

A group of individuals working together who are actively involved in a person's assessment, service planning and service delivery. At a minimum, the team consists of the person, their guardian (if applicable) and a qualified behavioral health representative. The team may also include members of the enrolled person's family, physical health, mental health or social service providers, representatives or other agencies serving the person, professionals representing disciplines related to the person's needs, or other persons identified by the enrolled person. For persons determined to have a Serious Mental Illness, the clinical team consists of a team leader, a psychiatrist, case manager, vocational specialist, psychiatric nurse, and other professionals or paraprofessionals, such as a psychologist, social worker, peer support worker, or rehabilitation specialist, as needed, based on the client's needs.

You will be able to change your team, if you want to, to best support your needs and achieve the goals that you have set.

**NARBHA** and its providers believe in delivering services in a manner that is:

- Strength-based,
- Family friendly,
- Culturally sensitive, and
- Clinically sound

The first step in getting services through a **NARBHA** provider is the intake process. Only **NARBHA** Responsible Agencies can do intakes. During the intake process, a **NARBHA** Responsible Agency will collect information to enroll you (or your child) in the system. The provider will work with you so that the process is as easy as possible. The staff member will also give you information about the system. This includes a copy of the Member Handbook.

Each person getting services will be part of a team. The members of the team may include the following:

- The person getting services
- Family members
- Behavioral health clinician(s)
- Other agencies
- Clergy, Traditional Healer, or other religious/spiritual representative
- Other people at the request of the person getting services

The members of the team will be involved in making decisions about your (or your child's) treatment. A Clinical Team assigned to each person getting services. This person makes sure that everything is going well with treatment.

The next step is for the provider to do an assessment. During this step, the provider will ask you questions about:

- Your (or your child's) strengths
- Your (or your child's) needs
- Your (or your child's) goals
- If you (or your child) need other special evaluations

The next step is for the provider and your (or your child's) team to develop a Service Plan for you (or your child). The information from your assessment will be used to develop your (or your child's) service plan. The plan will describe what needs to be done to meet your (or your child's) needs and improve your (or your child's) health.

Your provider will give you (or your child) services based on your (or your child's) Service Plan.

**Your provider and Clinical Team will look at your Service Plan at least every year or whenever new services are needed. This is to make sure that it is just what you (or your child) need.**

### **Choice of Services**

Members requesting or receiving behavioral health services in the **NARBHA** Network can:

1. Request their choice of Responsible Agencies as their primary Intake/Service Provider.
2. Request an array of medically necessary covered behavioral health services through their Clinical

Team from the entire network of **NARBHA** service providers.

### **Transfer of Services**

- Members can request a transfer directly through their enrollment agency and/or Child Family Team (CFT)/ Adult Clinical Team (ACT). The Responsible Agency where the person is enrolled then initiates the Transfer Process.  
**OR**
- Members can request a transfer be initiated by the enrollment agency they wish to transfer to. The requested RA would then initiate the Transfer Process through coordinating with the current enrollment Responsible Agency.

A listing of **NARBHA** Network Providers is located on the **NARBHA** website [www.narbha.org/services/listings](http://www.narbha.org/services/listings).

### **What is a Provider Network?**

A provider network is a group of behavioral health service providers who work with a T/RBHA and are available to provide behavioral health services.

As part of the **NARBHA** Provider Network, **NARBHA** has a number of service providers called Responsible Agencies (RAs). RAs are expected to provide a core set of behavioral health services to eligible persons in their geographic areas. The map on the back of the handbook shows where these agencies are located.

These Responsible Agencies (RAs):

1. See if a person can get services;
2. Evaluate what services the person needs, including crisis services;
3. Help the person enroll as a **NARBHA** member; and
4. Help the person get any covered behavioral health services that are needed.

Besides the RAs, **NARBHA** has a large number of other service providers which can provide services to **NARBHA** members as described in the service plan.

A listing of all available providers, their locations, telephone numbers, and languages spoken can be found online at <http://narbha.org/services/listings/> or <http://narbha.networkofcare.org/mh/resource/find.cfm>. If you do not have access to the Internet at your home, free Internet service is usually available at libraries. The **NARBHA** Network also includes pharmacies where you can fill your prescriptions for medications. These include: retail pharmacies across Northern Arizona such as: CVS, Osco, Walgreens, Wal-Mart, Frys, Safeway, Target, and others (see [www.narbha.org](http://www.narbha.org)). The Guidance Center, Community Counseling Centers, Verde Valley Guidance Center, Mojave Mental Health Center and West Yavapai Guidance Clinic provider agencies have pharmacies on site that members may find very convenient to use. Contact your RA for a listing of additional pharmacies or go to <http://narbha.org/includes/media/docs/NARBHA-Pharmacy-Network.pdf>

## How do I choose a provider?

A provider network is a group of providers who work with a T/RBHA and are available to provide behavioral health services. **NARBHA** will help you choose a provider from within the provider network. If you would like to select a provider based on convenience, location, or cultural preference, please tell NARBHA Member Services. You will need to contact the provider to make, change, or cancel your appointments. If you need help with scheduling your appointments, contact **NARBHA Member Services**.

If you are not happy with your current provider, contact **NARBHA Member Services** to discuss other available options.

If you are getting substance abuse services that are funded by the Substance Abuse Prevention and Treatment Federal Block Grant (SAPT), you have the right to get services from a provider to whose religious character you do not object. If you object to the religious character of your substance abuse provider, you may ask for a referral to another provider of substance abuse treatment. You will get an appointment with the new provider within 7 days of your request for a referral, or earlier if your behavioral health condition requires. The new provider must be available to you and provide substance abuse services that are similar to the services that you were receiving at the first provider.

## Do I have to pay for behavioral health services I get?

Title XIX (Medicaid) and Title XXI (KidsCare) covered services are paid for through the Arizona Health

Care Cost Containment System (AHCCCS), the State Medicaid agency. Persons eligible for these programs are sometimes called AHCCCS eligible. AHCCCS eligible persons cannot be billed for covered behavioral health services other than applicable co-payments as described below.

Title XIX/XXI eligible persons are only asked to pay co-payments for the following behavioral health services:

- Title XIX members assigned to General Mental Health or Substance Abuse programs may have a \$1 co-payment for physician visits and
- Services not paid for by AHCCCS, which are:
  - Room and board in certain settings, such as Level II or Level III facilities;
  - Traditional healing services; and
  - Auricular acupuncture services.

Title XIX/XXI eligible persons cannot be denied services for non-payment of a co-payment for Title XIX/XXI services.

Non-Title XIX/XXI persons may have to pay for behavioral health services. The payment amount is based on family size and household income.

A non-covered service is one that is not available to you. It is a service your provider did not set up or approve or is a service that is not covered by the T/RBHA. Services you get from a provider outside of the provider network are non-covered services, unless you have been referred by your provider. If you get a non-covered service you may have to pay for it.

Prior to your appointment for services, **NARBHA** or your provider will discuss with you any payments you will have to pay.

## What if I have health insurance?

You must report any health insurance that you have, other than AHCCCS, to **NARBHA** or your provider. This includes Medicare. Persons with health insurance must use the benefits of that health insurance before **NARBHA** will pay for services. At times, **NARBHA** may pay for the cost of co-payments, premiums or deductibles for you, while the cost of the covered service is paid for by your health insurance. This may occur even if you get services outside the **NARBHA** Network of providers.

If there are any changes to your health insurance you must report the change to **NARBHA** or your provider right away.

## Medicare coverage

Some people have Medicare and AHCCCS health insurance. If you have Medicare and AHCCCS health insurance, you must tell **NARBHA** or your provider. You may get some services from Medicare providers and some services from **NARBHA** providers. You may have to use Medicare for some behavioral health services before you can use your AHCCCS health insurance. In some cases, your AHCCCS health insurance may cover your Medicare co-payments, premiums, and/or deductibles. **NARBHA** or your provider can help you find out what services Medicare will cover and what services your AHCCCS health insurance will cover.

Sometimes people with Medicare want to get services from a provider that does not work with **NARBHA**. This is called getting services outside the **NARBHA** network of providers. If you choose to get services from a provider outside the **NARBHA** network, you may have to pay for your Medicare co-payment, premium and/or deductible. This does not apply to emergency or other prescribed services. Call **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org) for more information on out of network providers.

On January 1, 2006, Medicare Part D Prescription Drug coverage began. AHCCCS does not pay for prescription drugs available with Medicare Part D for persons who have AHCCCS and Medicare. Medicare eligible persons must get their prescription drugs through a Medicare Part D Prescription Drug Plan (PDP) or Medicare Advantage Prescription Drug Plan (MA-PD). These plans will pay for both brand name and generic drugs. If you have Medicare, but you are not enrolled in a Medicare Part D drug plan, AHCCCS will not pay for any prescription drugs that would be paid for by Medicare Part D. You may have to pay for your prescription drugs. If you have questions about this change, you can call 1-800-MEDICARE (TTY: 1-877-486-2048) or visit [www.medicare.gov](http://www.medicare.gov). If you want help in picking a plan, you can call **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

Medicare Part D and AHCCCS may not pay for some prescription drugs. **NARBHA** may help pay for prescription drugs not covered by Medicare Part D or for any costs you have to pay for Medicare Part D. Contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org) to ask about getting help with your Medicare Part D plan.

## The Limited Income Subsidy (LIS) program

The Social Security Administration (SSA) has a Limited Income Subsidy (LIS) program that will help pay for the costs of the Medicare Part D prescription drug benefit. This program, also known as "extra help," will pay all or part of the monthly premium, annual deductible, and coinsurance. However, the "extra help" does not pay the copayments for Medicare Part D prescription drugs.

If you have both AHCCCS and Medicare, you do not have to apply for the "extra help". You will get a notice from the Centers for Medicare and Medicaid Services (CMS) telling you that you get the "extra help" and you do not have to apply.

If you are in a Medicare Cost Saving (MCS) program you do not have to apply for the "extra help". MCS programs include the following:

- QMB Only (Qualified Medicare Beneficiary),
- SLMB Only (Specified Low Income Medicare Beneficiary), and
- QI-1 (Qualified Individual).

You will also get a notice from CMS telling you that you get the "extra help" and you do not have to apply.

Other persons may be able to get the "extra help." If your income is below 150% of the Federal Poverty Level (FPL) and you do not have AHCCCS or an MCS program, you have to apply for the "extra help." There are a few ways you can apply. The Social Security Administration (SSA) has a paper application in English and Spanish. You can fill out a paper application and mail it to SSA. You can also apply by calling 1-800-772-1213 (TTY: 1-800-325-0778). Finally, you can apply on-line on the SSA Web site: <http://www.socialsecurity.gov>. On-line applications are available in 14 languages. If you need help applying for the "extra help," please contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

## What behavioral health services can I get?

Behavioral health services help people think, feel, and act in healthy ways. There are services for mental health problems and there are services for substance abuse.

You can get services based on three things:

- Your need,
- Your insurance coverage, and
- Your provider's approval, if required.

All services are not available to all members. If you

would like to see the guidelines that are used to determine admission, continued stay, and discharge, contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

You decide with your clinical team<sup>1\*</sup> what services you need. Your provider or clinical team may ask **NARBHA** for approval of a service for you, but the approval may be denied. If a request for services is denied, you can file an appeal. For more information on filing an appeal, see the section called "What is an appeal and how do I file an appeal."

You and your provider may not agree about the services you need. If you feel you need a service, and your provider does not, contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

The table on the next page lists the available behavioral health services and any limits they may have. **NARBHA** must pay only for the available behavioral health services listed.

#### **Service Coverage for American Indian Persons:**

American Indian persons have choices of where to access behavioral health services, including receiving services through a Regional Behavioral Health Authority (RBHA) that serves the county you live in or Tribal Regional Behavioral Health Authority (TRBHA) that serves a specific tribe, Indian Health Services (IHS) and/or 638 tribal facilities with behavioral health programs. If you receive services through a RBHA or TRBHA, those services are paid for through the Arizona Department of Health Services/Division of Behavioral Health services (ADHS/DBHS). If you are Title XIX/XXI eligible and receive services through an IHS or 638 tribal facility, the Arizona Health Care Cost Containment System (AHCCCS) pays for those services. Regardless of who pays for the services, your RBHA or TRBHA and/or IHS or 638 tribal facility will coordinate your care to ensure you receive all necessary behavioral health services.

A 638 tribal facility means a facility owned and operated by an American Indian tribe authorized to provide services according to Public Law 93-638, as amended. A 638 tribal facility may not cover all behavioral health services, so ADHS/DBHS is responsible for covering certain services:

- Non-emergency behavioral health services not covered through an IHS or 638 tribal facility (for example, case management or transportation);

- Behavioral health services for persons referred off reservation from an IHS or 638 tribal facility;
- Emergency services rendered at a non-IHS or non-638 tribal facility to American Indian behavioral health recipients.

If you are unsure about your choices or if you have questions about how your behavioral health services are coordinated, you can contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org) for additional information.

#### **Early Periodic Screening, Diagnostic and Treatment (EPSDT) Services:**

Early Periodic Screening, Diagnostic and Treatment (EPSDT) is a comprehensive child health program of prevention and treatment, correction, and improvement (amelioration) of physical and mental health problems for AHCCCS members under the age of 21. The purpose of EPSDT is to ensure the availability and accessibility of health care resources, as well as to assist Medicaid recipients in effectively utilizing these resources. EPSDT services provide comprehensive health care through primary prevention, early intervention, diagnosis, medically necessary treatment, and follow-up care of physical and behavioral health problems for AHCCCS members less than 21 years of age. EPSDT services include screening services, vision services, dental services, hearing services and all other medically necessary mandatory and optional services listed in federal law 42 USC 1396d(a) to correct or ameliorate defects and physical and mental illnesses and conditions identified in an EPSDT screening whether or not the services are covered under the AHCCCS state plan. Limitations and exclusions, other than the requirement for medical necessity and cost effectiveness do not apply to EPSDT services.

A well child visit is synonymous with an EPSDT visit and includes all screenings and services described in the AHCCCS EPSDT and dental periodicity schedules.

**Amount, Duration and Scope:** The Medicaid Act defines EPSDT services to include screening services, vision services, dental services, hearing services and "such other necessary health care, diagnostic services, treatment and other measures described in federal law subsection 42 USC 1396d(a) to correct or ameliorate defects and physical and mental illnesses and conditions discovered by the screening services, whether or not such services are covered under the (AHCCCS) state plan." This means that EPSDT covered services include services that correct or ameliorate physical and mental defects, conditions, and illnesses discovered by the screening process

<sup>1</sup> \* Clinical Teams include both Child and Family Teams and Adult Clinical Teams

when those services fall within one of the 28 optional and mandatory categories of “medical assistance” as defined in the Medicaid Act. Services covered under EPSDT include all 28 categories of services in the federal law even when they are not listed as covered services in the AHCCCS state plan, AHCCCS statutes, rules, or policies as long as the services are medically necessary and cost effective.

EPSDT includes, but is not limited to, coverage of: inpatient and outpatient hospital services, laboratory and x-ray services, physician services, nurse practitioner services, medications, dental services, therapy services, behavioral health services, medical supplies, prosthetic devices, eyeglasses, transportation, and family planning services. EPSDT also includes diagnostic, screening, preventive and rehabilitative services. However, EPSDT services do not include services that are solely for cosmetic purposes, or that are not cost effective when compared to other interventions.

### **Medication Coverage**

**NARBHA** has a list of medications, called a formulary that includes medications available to you through **your provider**. You can find the **NARBHA** formulary online at <http://www.narbha.org/includes/media/docs/NARBHA-Medication-Formulary-3-16-1.pdf>. You may need medication that is not on the formulary, or you may need approval for your medication. Your medical practitioner may request non-formulary medications by contacting **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

### **Can I get a ride to my appointment?**

You may be able to get a ride to and from non-emergency services. Contact your provider (responsible Agency) or **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org) and ask if you can get a ride.

Transportation during an emergency does not need prior approval. Contact your provider (Responsible Agency) or the **NARBHA Crisis Line** at 1-877-756-4090 or for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org) for transportation in an emergency or crisis.

### **What is an approval of services and what are my notification rights?**

You and your clinical team<sup>2\*</sup> will work together to make decisions about the services you need. Emergency services do not need to be approved before you can get them. Some services, for example non-emergency hospital admissions or other inpatient services need to be approved before you can get them. Your provider or clinical team must ask for approval of these services by **NARBHA**. If a Title XIX/XXI covered service included in your Service Plan is denied, reduced, or terminated, you will receive notice and have the right to file an appeal. The process for filing an appeal is described in the section called, “What is an appeal and how do I file an appeal?”

Only a physician trained to treat your condition may deny a service your provider or clinical team is trying to get approved.

### **Title XIX/XXI eligible persons:**

You will get written notice telling you if the services asked for by your provider or clinical team are not approved. You will get this notice within 14 days of your provider or clinical team asking for approval for standard approval requests or within 3 working days for expedited approval requests. Expedited means that a decision needs to be made sooner due to your behavioral health needs.

The timeframes in which the T/RBHA or the provider must give you written notice of their decision about the requested services can be extended for up to 14 days. This means that a decision may take up to 28 days for the standard approval process, and up to 17 or more days for the expedited process. (The reason that the expedited process may take more than 17 days is because the initial 3 day period is *working* days.) You, **NARBHA**, or the provider can ask for more time. If **NARBHA** or the provider asks for more time, you will get a written notice, called a Notice of Extension of Timeframe for Service Authorization Decision, telling you why it will take longer. If you disagree with the extension, you can file a complaint with **NARBHA Member Services** by calling (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org). If a decision about your requested services is not made within the maximum allowable timeframe, including extensions, the request for approval (authorization) shall be considered denied on the date the timeframe expires.

If your covered behavioral health services are denied, or if the services you have been getting are terminated, suspended or reduced, you will get a

Notice of Action. The Notice of Action is a written document that will tell you:

- What service(s) will be denied, reduced, suspended, or terminated;
- The reason the service(s) will be denied, reduced, suspended, or terminated and the legal basis for the action;
- The date the service(s) will be reduced, suspended, or terminated;
- Your right to file an appeal;
- How to exercise your right to file an appeal;
- When and how you can ask for an expedited decision if you file an appeal; and
- How to ask that your services continue during the appeal process.

You will get a Notice of Action 10 days before the effective date if services you were getting will be reduced, suspended or terminated. If the Notice of Action does not tell you what you asked for, what was decided and why the decision was made in language you can understand, please call **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at **www.azrelay.org** for assistance. The Notice of Action is also available in other languages and formats if you need it. If the Notice of Action is not adequate, a new Notice of Action will be issued. If the Notice of Action is still not adequate and the issue is not resolved by **NARBHA**, you may call AHCCCS Medical Management at 602-417-4000 to register your complaint.

#### **Exceptions to the 10 day Notice of Action requirement**

If fraud is suspected, the notice will be sent to you 5 days before the reduction, suspension or termination of services.

If non-emergency inpatient services are terminated as a result of the denial of a continued stay request, you will be sent a Notice of Action in 2 days.

You may get a Notice of Action less than 10 days from the effective date in some other situations, such as:

- You told your provider on paper that you no longer want services;
- Your mail is returned and the provider does not know where you are;
- You enter a facility that makes you ineligible for services;
- You move and get Medicaid services outside of Arizona; or
- Your physician prescribes a change in the level of your behavioral health care.

#### **Persons determined to have a Serious Mental Illness:**

As a person determined to have a Serious Mental Illness, you may get notices besides the Notice of

Action. This may include a Notice of Decision and Right to Appeal. You would get this notice when:

- The initial determination of Serious Mental Illness is made,
- A decision about fees or a waiver from fees is made,
- The Assessment, Service Plan or Inpatient Treatment and Discharge Plan are developed or reviewed,
- Your Service Plan is changed and any services you have been receiving are reduced, suspended or terminated, or
- It is determined that you do not have a Serious Mental Illness.

Based upon the behavioral health services you get, you may get other notices about the Grievance and Appeal process, your legal rights and that discrimination is not allowed.

Please contact **NARBHA Grievance and Appeals** staff or **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at **www.azrelay.org** with questions about the approval of services and your notification rights.

#### **What is a referral to another provider?**

You or your provider may feel that you need specialized care from another behavioral health provider. If that happens, your provider will give you a "referral" to go to another provider for specialized care.

You may contact **NARBHA** or your provider if you feel you need a referral for specialized care.

Title XIX/XXI eligible persons can get a second opinion. Upon a Title XIX/XXI eligible person's request, **NARBHA** must provide for a second opinion from a health care professional within the **NARBHA** network or arrange for the person to get one outside the network, at no cost to the person. You may contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at **www.azrelay.org**.

#### **Who is eligible to receive behavioral health services?**

- Persons AHCCCS eligible through either Title XIX (Medicaid) or Title XXI (KidsCare);

- Persons determined to have a Serious Mental Illness; and
- All other persons based on available state funding and the person's income.

Title XIX (Medicaid; may also be called AHCCCS) is insurance for low-income persons, children, and families. It pays for medical, dental (for children up to 21 years of age), and behavioral health services.

Title XXI (KidsCare; may also be called AHCCCS) is insurance for children under the age of 19 who do not have insurance and are not eligible for Title XIX benefits. It pays for medical, dental and behavioral health services.

**NARBHA** or your provider will ask you questions to help identify if you could be eligible for AHCCCS benefits. If so, they can help you complete an AHCCCS application.

A Serious Mental Illness is a mental disorder in persons 18 years of age or older that is severe and persistent. Persons may be so impaired that they cannot remain in the community without treatment and/or services. **Your provider** will make a determination of Serious Mental Illness upon referral/request.

If you are not eligible for AHCCCS benefits and are not determined to have a Serious Mental Illness, you may get services based on available state funding. If you are not eligible for AHCCCS benefits, you may have to pay a co-payment based on your income.

### What does service prioritization mean?

For persons not eligible for AHCCCS benefits or for services not covered with Title XIX/XXI funds, **NARBHA** must first prioritize services to persons with the following conditions or needs:

- Pregnant, substance abusing women needing treatment services;
- Persons needing crisis services, including services in emergency departments;
- Non-Title XIX/XXI adults determined to have a Serious Mental Illness (SMI) and persons needing an evaluation for a determination of SMI; and
- Dual eligible persons determined to have SMI who have Medicare Part D prescription drug coverage costs

If you are not Title XIX/XXI eligible and not determined to have SMI, your services are covered based on funding available to **NARBHA**. If you lose AHCCCS eligibility while receiving behavioral health services, your provider will help you re-apply for AHCCCS benefits.

### What happens if I move?

If you move, tell your provider and **NARBHA** right away so they can make sure you continue to receive your services and/or medications. You may need to change to a new provider and/or T/RBHA. If that happens, your provider will ask you to sign a release of information so the new provider and/or T/RBHA can transfer your services. Your records may be given to the new provider once you give written permission. **NARBHA** or your provider can help you with a referral to a new provider and/or T/RBHA.

If you are Title XIX or Title XXI eligible, call the agency where you applied for those benefits to let them know you moved and give them your new address. This could be:

- AHCCCS (call 602-417-7100 in Maricopa County or 1-800-334-5283 outside of Maricopa County) or go to the MyAHCCCS member Web site at **www.myahcccs.com** or **www.myazhealthandwellness.com** to update your address,
- Department of Economic Security (call 1-800-352-8168), or
- Social Security Administration (1-800-772-1213).

### What is a consent to treatment?

You have the right to accept or refuse behavioral health services that are offered to you. If you want to get the behavioral health services offered, you or your legal guardian must sign a Consent to Treatment form giving your or your legal guardian's permission for you to get behavioral health services. When you sign a Consent to Treatment form you are also giving the Arizona Department of Health Services / Division of Behavioral Health Services (ADHS/DBHS) permission to access your records.

To give you certain services, your provider needs to get your permission. Your provider may ask you to sign a form or to give verbal permission to get a specific service. You will be given information about the service so you can decide if you want that service or not. An example would be if your provider prescribes a medication. Your provider will tell you about the benefits and risks of taking the medication and will ask you to sign a consent form or give verbal permission if you want to take the medication.

### Is my behavioral health information private?

There are laws about who can see your behavioral health information with or without your permission. Substance abuse treatment and communicable disease

information (for example, HIV/AIDS information) cannot be shared with others without your written permission.

At times your permission is not needed to share your behavioral health information to help arrange and pay for your care. These times could include the sharing of information with:

- Physicians and other agencies providing health, social, or welfare services;
- Your medical primary care provider;
- Certain state agencies involved in your care and treatment, as needed; and
- Members of the clinical team<sup>3\*</sup> involved in your care.

At other times, it may be helpful to share your behavioral health information with other agencies, such as schools. Your written permission may be required before your information is shared.

There may be times that you want to share your behavioral health information with other agencies or certain individuals who may be assisting you. In these cases, you can sign an Authorization for the Release of Information Form, which states that your medical records, or certain limited portions of your medical records, may be released to the individuals or agencies that you name on the form. For more information about the Authorization for the Release of Information Form, contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

You can ask to see the behavioral health information in your medical record. You can also ask that the record be changed if you do not agree with its contents. You can also receive one free copy per year of your medical record. Contact your provider or **NARBHA** to ask to see or get a copy of your medical record. You may contact **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

### **Exceptions to Confidentiality**

If you commit a crime or threaten to commit a crime at the program or against any person who works at the program, we must call the police.

If you are going to hurt another person, we must let

<sup>3</sup> \* Clinical Teams include both Child and Family Teams and Adult Clinical Teams

that person know so that he or she can protect himself or herself. We must also call the police. We must also report suspected child abuse to local authorities.

If there is a danger that you might hurt yourself, we must try to protect you. If this happens, we may need to talk to other people in your life or other service providers (e.g., hospitals and other counselors) to protect you. Only necessary information to keep you safe is shared.

### **Who is a designated representative?**

## What can I do if I have a complaint about my care?

If you are not happy with the care you are getting, try to solve any issues at the lowest possible level by talking with your provider or **NARBHA**.

### What is a formal complaint and how do I make one?

A formal complaint is when you are not happy with any aspect of your care. Reasons for complaints could include such things as:

- The quality of care or services you got,
- A disagreement with the denial to process an appeal as expedited,
- The failure of a provider to respect a person's rights, or
- A provider or employee of a provider being rude to you.

Formal complaints can be made either orally or in writing. You can call or write to **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org) or write **NARBHA** 1300 South Yale Street, Flagstaff, AZ 86001.

If you make your complaint by phone, it will be acknowledged at that time. For written complaints, you will be notified that your complaint was received within 5 working days. A decision regarding the results of your complaint must be given to you in a timely manner, but within 90 days of making your complaint.

Some issues require you to file an appeal instead of a formal complaint. This process is described in the section called, "What is an appeal and how do I file an appeal." These issues include:

- The denial or limited approval of a service asked for by your provider or clinical team<sup>4\*</sup>,
- The reduction, suspension, or termination of a service you were receiving,
- The denial, in whole or part, of payment for a service,
- The failure to provide services in a timely manner,
- The failure to act within timeframes for resolving an appeal or complaint, and
- The denial of a request for services outside of the provider network when services are not available within the provider network.

If you are a person determined to have a Serious Mental Illness (SMI), you can file a grievance/request for investigation if you feel that your rights have been violated. See "What is a Grievance/Request

<sup>4</sup> \* Clinical Teams include both Child and Family Teams and Adult Clinical Teams

for Investigation for persons determined to have a Serious Mental Illness and how can I file one?" for more information.

## What is an appeal and how do I file an appeal?

### What is an appeal?

An appeal is a formal request to review an action or decision related to your behavioral health services.

There are 3 types of appeals depending on what is being appealed and who is filing the appeal. The 3 types of appeals are:

- Appeals for Title XIX/XXI AHCCCS eligible persons,
- Appeals for persons determined to have a Serious Mental Illness, and
- Appeals for persons who are not enrolled as a person with Serious Mental Illness and are Non-Title XIX/XXI eligible.

### Medicare Part D Exceptions and Appeals

Every Medicare Part D plan must have an exception and appeal process. If you have Medicare Part D Prescription Drug coverage and you file an exception or appeal, you may be able to get a prescription drug that is not normally covered by your Part D plan. Contact your Part D plan for help in filing an exception or appeal regarding your prescription drug coverage.

### How do I file an appeal?

Appeals can be filed orally or in writing with **NARBHA** within 60 days of receiving a Notice of Action or Notice of Decision and Right to Appeal. A Notice of Action and Notice of Decision and Right to Appeal are written letters that tell you about a change in your services. An expedited appeal will be resolved sooner than a standard appeal due to the urgent behavioral health needs of the person filing the appeal. Contact **NARBHA** Member Services or your provider to see if your appeal will be expedited.

You can file an appeal or your legal or authorized representative, including a provider, can file an appeal for you with your written permission. You can also get help with filing an appeal by yourself.

To file an appeal orally or for help with filing a written appeal, call **NARBHA Grievance and Appeals** or **NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org).

To file a written appeal, mail the appeal to **NARBHA Office of Grievance and Appeals, 1300 South Yale Street, Flagstaff, AZ 86001**.

sYou will get written notice that your appeal was received within 5 working days. If your appeal needs to be expedited, you will get notice that your appeal was received within 1 working day.

## **Appeals for Title XIX/XXI AHCCCS eligible persons**

If you are Title XIX/XXI AHCCCS eligible, you have the right to ask for a review of the following actions:

- The denial or limited approval of a service asked for by your provider or clinical team<sup>5\*</sup>,
- The reduction, suspension, or termination of a service that you were receiving,
- The denial, in whole or part, of payment for a service,
- The failure to provide services in a timely manner,
- The failure to act within timeframes for resolving an appeal or complaint, and
- The denial of a request for services outside of the provider network when services are not available within the provider network.

### **What happens after I file an appeal?**

As part of the appeal process, you have the right to give evidence that supports your appeal. You can provide the evidence to the RBHA or ADHS/DBHS in person or in writing. In order to prepare for your appeal, you may examine your case file, medical records, and other documents and records that may be used before and during the appeal process, as long as the documents are not protected from disclosure by law. If you would like to review these documents, contact your provider or **NARBHA**. The evidence you give to the RBHA or ADHS/DBHS will be used when deciding the resolution of the appeal.

### **How is my appeal resolved?**

The RBHA or ADHS/DBHS must give you a decision, called a Notice of Appeal Resolution, in person or by certified mail within 30 days of getting your appeal for standard appeals, or within 3 working days for expedited appeals. The Notice of Appeal Resolution is a written letter that tells you the results of your appeal.

The time frames in which the T/RBHA or provider must give you the Notice of Appeal Resolution may be extended up to 14 days. You, **NARBHA** or the provider can ask for more time in order to gather more information. If **NARBHA** or the provider asks for more time, you will be given written notice of the reason for the delay.

The Notice of Appeal Resolution will tell you:

- The results of the appeal process and

- The date the appeal process was completed.

If your appeal was denied, in whole or in part, then the Notice of Appeal Resolution will also tell you:

- How you can ask for a State Fair Hearing,
- How to ask that services continue during the State Fair Hearing process, if applicable,
- The reason why your appeal was denied and the legal basis for the decision to deny your appeal, and
- That you may have to pay for the services you get during the State Fair Hearing process if your appeal is denied at the State Fair Hearing.

### **What if I am not happy with my appeal results?**

You can ask for a State Fair Hearing if you are not happy with the results of an appeal. If your appeal was expedited, you can ask for an expedited State Fair Hearing. **YOU HAVE THE RIGHT TO HAVE A REPRESENTATIVE OF YOUR CHOICE ASSIST YOU AT THE STATE FAIR HEARING.**

### **How do I ask for a State Fair Hearing?**

You must ask for a State Fair Hearing in writing within 30 days of getting the Notice of Appeal Resolution. This includes both standard and expedited requests for a State Fair Hearing. Requests for State Fair Hearings should be mailed to: **NARBHA Office of Grievance and Appeals, 1300 South Yale Street, Flagstaff, AZ 86001.**

### **What is the process for my State Fair Hearing?**

You will receive a Notice of State Fair Hearing at least 30 days before your hearing is scheduled. The Notice of State Fair Hearing is a written letter that will tell you:

- The time, place and nature of the hearing,
- The reason for the hearing,
- The legal and jurisdictional authority that requires the hearing, and
- The specific laws that are related to the hearing.

How is my State Fair Hearing resolved?

For standard State Fair Hearings, you will receive a written AHCCCS Director's Decision no later than 90 days after your appeal was first filed. This 90 day period does not include:

- Any timeframe extensions that you have requested, and
- The number of days between the date that you received the Notice of Appeal Resolution and the date your request for a State Fair Hearing was submitted.

The AHCCCS Director's Decision will tell you the outcome of the State Fair Hearing and the final decision about your services.

For expedited State Fair Hearings, you will receive a

<sup>5</sup>\* Clinical Teams include both Child and Family Teams and Adult Clinical Teams

written AHCCCS Director's Decision within 3 working days after the date that AHCCCS receives your case file and appeal information from the RBHA or ADHS/DBHS. AHCCCS will also try to call you to notify you of the AHCCCS Director's Decision.

### **Will my services continue during the Appeal/ State Fair Hearing process?**

You may ask that the services you were already getting continue during the appeal process or the State Fair Hearing process. If you want to keep getting the same services, you must ask for your services to be continued in writing. If the result of the appeal or State Fair Hearing is to agree with the action to either end or reduce your services, you may have to pay for the services received during the appeal or State Fair Hearing process.

### **Appeals for persons determined to have a Serious Mental Illness**

Persons asking for a determination of Serious Mental Illness and persons who have been determined to have a Serious Mental Illness can appeal the result of a Serious Mental Illness determination.

Persons determined to have a Serious Mental Illness may also appeal the following adverse decisions:

- Correctness of your assessment;
- Long-term view, goals or timelines stated in your Service Plan or Inpatient Treatment and Discharge Plan;
- Services recommended in your assessment report, Service Plan, or Inpatient Treatment and Discharge Plan;
- Services to be provided in your Service Plan, plan for interim services or Inpatient Treatment and Discharge Plan;
- Failure to act within the procedures and timeframes for developing your Service Plan or Inpatient Treatment and Discharge Plan or failure to implement your Service Plan or Inpatient Treatment and Discharge Plan;
- Provision of service planning to an individual who is refusing such services, or failure to provide service planning to all other individuals;
- Changes to your Service Plan or Inpatient Treatment and Discharge Plan, including a review of, the outcome of, a modification to, the failure to modify, or termination of your Service Plan or Inpatient Treatment and Discharge Plan;
- Access to and timely receipt of services through Title XIX (Medicaid, AHCCCS);
- Assessment of competence or the need for special assistance;
- Assessment of fees and waivers;
- Denial of payment of services; and

- Failure to act within the timeframes for appeal.

### **What happens after I file an appeal?**

If you file an appeal, you will get written notice that your appeal was received within 5 working days of **NARBHA's** receipt. You will have an informal conference with the RBHA within 7 working days of filing the appeal. The informal conference must happen at a time and place that is convenient for you. You have the right to have a designated representative of your choice assist you at the conference. You and any other participants will be informed of the time and location of the conference in writing at least two days before the conference. If you are unable to come to the conference in person, you can participate in the conference over the telephone.

For an appeal that needs to be expedited, you will get written notice that your appeal was received within 1 working day of **NARBHA's** receipt, and the informal conference must occur within 2 working days of filing the appeal.

If the appeal is resolved to your satisfaction at the informal conference, you will get a written notice that describes the reason for the appeal, the issues involved, the resolution achieved and the date that the resolution will be implemented. If there is no resolution of the appeal during this informal conference, and if the appeal does not relate to your eligibility for behavioral health services, the next step is a second informal conference with ADHS/DBHS. This second informal conference must take place within 15 days of filing the appeal. If the appeal needs to be expedited, the second informal conference must take place within 2 working days of filing the appeal. You have the right to skip this second informal conference.

If there is no resolution of the appeal during the second informal conference, or if you asked that the second informal conference be skipped, you will be given information that will tell you how to get an Administrative Hearing. Appeals of Serious Mental Illness eligibility determinations move directly to the Administrative Hearing process if not resolved in the first informal conference and skip the second informal conference. The Office of Grievance and Appeals at ADHS/DBHS handles requests for Administrative Hearings.

### **Will my services continue during the appeal process?**

If you file an appeal you will continue to get any services you were already getting unless a qualified clinician decides that reducing or terminating services is best for you and you agree in writing to reducing or terminating services. You will not have to pay for services you get during the appeal process or Administrative Hearing process.

## **Appeals for persons who are not determined to have Serious Mental Illness and Non-Title XIX/XXI eligible**

If you are Non-Title XIX/XXI (AHCCCS) eligible and not determined to have Serious Mental Illness you may appeal actions or decisions related to decisions about behavioral health services you need that are available through **NARBHA**.

### **What happens after I file an appeal?**

As part of the appeal process, you have the right to give evidence that supports your appeal. You can give the evidence to the RBHA or ADHS/DBHS in person or in writing. In order to prepare for your appeal, you may examine your case file, medical records, and other documents and records that may be used before and during the appeal process as long as the documents are not protected from disclosure by law. If you would like to review these documents, contact your provider or **NARBHA**. The evidence you give to the RBHA or ADHS/DBHS will be used when deciding the resolution of the appeal.

### **How is my appeal resolved?**

The RBHA or ADHS/DBHS must give you a Notice of Appeal Resolution in person or by certified mail within 30 days of getting your appeal. The Notice of Appeal Resolution is a written letter that tells you the results of your appeal.

The time frames in which the T/RBHA or provider must give you the Notice of Appeal Resolution may be extended up to 14 days. You, **NARBHA** or the provider can ask for more time in order to gather more information. If **NARBHA** or the provider asks for more time, you will be given written notice of the reason for the delay.

The Notice of Appeal Resolution will tell you:

- The results of the appeal process and
- The date the appeal process was completed.

If your appeal was denied, in whole or in part, then the Notice of Appeal Resolution will also tell you:

- How you can request a State Fair Hearing and
- The reason why your appeal was denied and the legal basis for the decision to deny your appeal.

What if I am not happy with my appeal results? You can ask for a State Fair Hearing if you are not happy with the results of an appeal.

### **How do I ask for a State Fair Hearing?**

You must ask for a State Fair Hearing in writing within 30 days of getting the Notice of Appeal Resolution. Requests for State Fair Hearings should be mailed to: **NARBHA Office of Grievance and Appeals, 1300 South Yale Street, Flagstaff, AZ 86001.**

### **What is the process for my State Fair Hearing?**

You will receive a Notice of State Fair Hearing at least 30 days before your hearing is scheduled. The Notice of State Fair Hearing is a written letter that will tell you:

- The time, place and nature of the hearing,
- The reason for the hearing,
- The legal and jurisdictional authority that requires the hearing, and
- The specific laws that are related to the hearing.

### **How is my State Fair Hearing resolved?**

For standard State Fair Hearings, you will receive a written ADHS Director's Decision no later than 90 days after your appeal was originally filed. This 90 day period does not include:

- Any timeframe extensions that you have requested; and
- The number of days between the date you received the Notice of Appeal Resolution and the date your request for a State Fair Hearing was submitted.

The ADHS Director's Decision will tell you the outcome of the State Fair Hearing and the final decision about your services.

## **What is a Grievance/Request for Investigation for persons determined to have a Serious Mental Illness and how can I file one?**

You can file a Grievance/Request for Investigation if you feel:

- Your rights have been violated;
- You have been abused or mistreated by staff of a provider; or
- You have been subjected to a dangerous, illegal or inhumane treatment environment.

You have 12 months from the time that the rights violation happened to file a Grievance/Request for Investigation. You may file a Grievance/Request for Investigation orally or in writing. Grievance/Request for Investigation forms are available at **NARBHA** and providers of behavioral health services. You may ask staff for help in filing your grievance. Contact the following to make your oral or written Grievance/Request for Investigation:

ADHS/DBHS or **NARBHA** will send you a letter within 7 days of getting your Grievance/Request for Investigation form. This letter will tell you how your Grievance/Request for Investigation will be handled.

If there will be an investigation, the letter will tell you the name of the investigator. The investigator will contact you to hear more about your Grievance/Request for Investigation. The investigator will then contact the person that you feel was responsible for violating your rights. The investigator will also gather any other information they need to determine if your rights were violated.

Within 35 days of an investigator being assigned to investigate, unless an extension has been asked for, you will get a written decision of the findings, conclusions and recommendations of the investigation. You will also be told of your right to appeal if you do not agree with the conclusions of the investigation.

If you file a Grievance/Request for Investigation, the quality of your care will not suffer.

### **What is fraud and abuse?**

Members need to use behavioral health services properly. It is considered fraud if a member or provider is dishonest in order to:

- Get a service not approved for the member or
- Get AHCCCS benefits that they are not eligible for.

Abuse happens if a member causes unnecessary costs to the system on purpose, for example:

- Loaning an AHCCCS card or the information on it to someone else, or
- Selling an AHCCCS card or the information on it to someone else.

Misuse of your AHCCCS identification card, including loaning, selling or giving it to others, could result in your loss of AHCCCS eligibility. Fraud and abuse are felony crimes and are punishable by legal action against the member or provider.

If you think that somebody is committing fraud or abuse, contact:

- **NARBHA Corporate Compliance Officer** at (928) 774-7128 or toll-free at 1-877-923-1400; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at [www.azrelay.org](http://www.azrelay.org);
- ADHS/DBHS Fraud and Abuse Hotline at 602-364-3758; or 1-866-569-4927. Hearing impaired individuals may call the Arizona Relay Service at 711 or 1-800-367-8939 for help contacting the Division of Behavioral Health Services, or
- AHCCCS Member Fraud Line at 602-417-4193 or 1-888-487-6686.

### **What is an Advance Directive?**

You have the right to make an advance directive. An advance directive tells a person's wishes about what kind of care he or she does or does not want to get when the person cannot make decisions because of his or her illness.

- A medical advance directive tells the doctor a person's wishes if the person cannot state his/her wishes because of a medical problem.
- A mental health advance directive tells the behavioral health provider a person's wishes if the person cannot state his/her wishes because of a mental illness.

One type of a mental health advance directive is a Mental Health Care Power of Attorney that gives an adult person the right to name another adult person to make behavioral health care treatment decisions on his or her behalf.

- The person named, the designee, may make decisions on behalf of the adult person if she or he can not make these types of decisions.
- The designee, however, must not be a provider directly involved with the behavioral health treatment of the adult person at the time the Mental Health Care Power of Attorney is named.
- The designee may act in this capacity until his or her authority is revoked by the adult person or by court order.
- The designee has the same right as the adult person to get information and to review the adult person's medical records about possible behavioral health treatment and to give consent to share the medical records.
- The designee must follow the wishes of the

adult person as stated in the Mental Health Care Power of Attorney. If, however, the adult person's wishes are not stated in a Mental Health Care Power of Attorney and are not known by the designee, the designee must act in good faith and consent to treatment that she or he believes to be in the adult person's best interest. The designee may consent to admitting the adult person to a level one behavioral health facility licensed by the Department of Health Services if this authority is stated in the Mental Health Care Power of Attorney.

In limited situations, some providers may not uphold an advance directive as a matter of conscience. If your behavioral health provider does not uphold advance directives as a matter of conscience, the provider must give you written policies that:

- State institution-wide conscience objections and those of individual physicians,
- Identify the law that permits such objections, and
- Describe the range of medical conditions or procedures affected by the conscience objection.

Contact **your provider (Responsible Agency) or NARBHA Member Services** at (928) 774-7128 or toll-free at 1-800-640-2123; for hearing impaired, please use the Arizona Relay Service at 711 or 1-800-367-8939 or internet assistance at **www.azrelay.org** to find out whether or not any providers in the **NARBHA** Network do not uphold aspects of advance directives as a matter of conscience.

Your provider cannot discriminate against you because of your decision to make or not make an advance directive.

Tell your family and providers if you have made an advance directive. Give copies of the advance directive to:

- All providers caring for you, including your Primary Care Provider (PCP);
- People you have named as a Medical or Mental Health Care Power of Attorney; and
- Family members or trusted friends who could help your doctors and behavioral health providers make choices for you if you cannot do it.

Contact **NARBHA Member Services** to ask more about advance directives or for help with making one.
