

CRISIS PLAN

A crisis plan is a document that is developed to address actions that need to be taken in the event that the member is experiencing a behavioral health crisis. Crisis plans are required in the following situations:

- All DDD consumers must have a crisis plan or documentation indicating why a crisis plan is not necessary.
- All children with CASII scores of 3, 4, 5, and 6 must have a crisis plan. Any children between ages birth to 6 who have a Dedicated Case Manager must also have a crisis plan.
- All clients who are identified as Severely Mentally Ill must have a crisis plan or WRAP plan as part of their record; or documentation indicating why a crisis plan is not necessary.
- Any client who has more than 2 mobile or face-to-face crisis contacts in a 30 day period must have a crisis plan.
- Any client who calls ProtoCall more than three times weekly must have a crisis plan.
- All clients on Court Order will have a crisis plan as part of their record.
- All clients who have been hospitalized in an inpatient psychiatric facility must have a crisis plan as part of their discharge plan.
- Any client that the clinical treatment team deems to be at risk should be considered to have a crisis plan or WRAP plan as part of their record.
