Support and Rehabilitation Services

Support and Rehabilitation Services are two categories of Medicaid covered services that behavioral health providers in Arizona may provide to enrolled children and their families. These services are sometimes known by other names, such as Direct Support Services, In-Home and Community-Based Support Services, Peer and Family-Delivered In-Home and Community-Based Support Services, or Wraparound Services. Because there are potential differences between each of these terms, this protocol uses the name Support and Rehabilitation Services.
